Mr. Cooper Is Super! by Dan Gutman, illustrated by Jim Paillot. HOOPLA has other hilarious books in the My Weirdest School series.

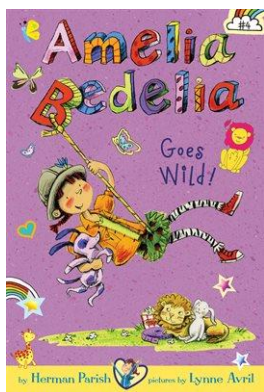

In this laugh-out-loud *My Weirdest School* book, A.J.'s third-grade teacher, Mr. Granite, is retiring after a million hundred years. It turns out the new teacher, Mr. Cooper, is even weirder than Mr. Granite! One day he's Rat Man and he teaches about rodents. The next day he's Lava Man and he teaches about volcanoes. But what happens when a real superhero is needed? Will Mr. Cooper protect the school from evil, or just embarrass it to death?

Curious George Builds a Tree House by H. A. Rey.

Enjoy other *Curious George* books on HOOPLA.

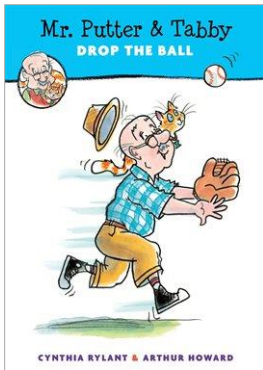

George is tired of following the house rules-he wants a place of his own where he can draw on the walls and eat corn on the cob with his feet! He decides to build a tree house in the yard, but quickly learns that creating a house from scratch just might take more than a pile of plywood and a handful of nails. What he needs is a design plan to make it work.

Amelia Bedelia Goes Wild! by Herman Parish

This book is part of the *Amelia Bedelia Chapter Books* series (you don't have to read them in order to enjoy them). Others can be found on HOOPLA.

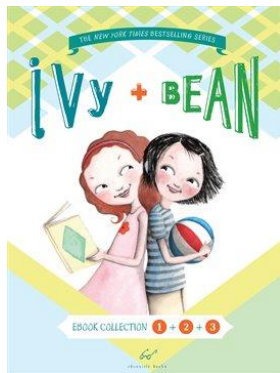

Amelia Bedelia, America's favorite housekeeper, had a childhood full of surprises, mischief, and hilarious misunderstandings. In this illustrated chapter book adventure, young Amelia Bedelia and her friends build a zoo in the backyard (complete with stuffed animals and attractions) and offer safari adventures to the entire neighborhood.

A Penguin Named Patience A Hurricane Katrina Rescue Story

by Suzanne Lewis, illustrated by Lisa Anchin

This is a true story of Patience, a South African penguin. She, and other penguins, live at New Orleans's Audubon Aquarium of the Americas. On August 29, 2005, Hurricane Katrina hits, devastating the city and surrounding areas with its catastrophic winds and flooding. The aquarium is severely damaged. With no electricity or relief in sight, the temperature in the aquarium reaches dangerously high degrees, putting the penguins in peril. What happened to Patience and the other penguins?

A Warmer World by Caroline Arnold, Jamie Hogan, illustrated by Jamie Hogan

From Polar Bears to Butterflies, How Climate Change Affects Wildlife. Species by species, nonfiction author Caroline Arnold describes how warmer weather alters ecosystems, forcing animals to adapt or become extinct.

The golden toad used to inhabit the cloud forests of Costa Rica, but when the weather became too warm and dried up the pools where its eggs hatched, the golden toad disappeared. It has not been seen in more than twenty years. This amphibian is just one of several species in *A WARMER WORLD*, a thought-provoking and informative account of how global climate change has affected wildlife over the past several decades.
